

How to find a parcel with Fetch GIS:

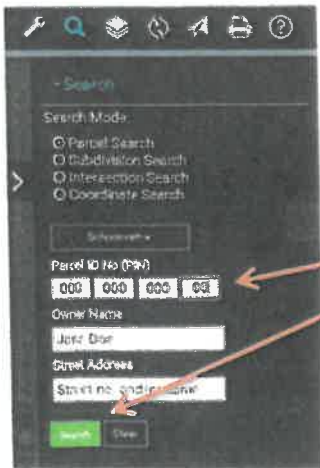

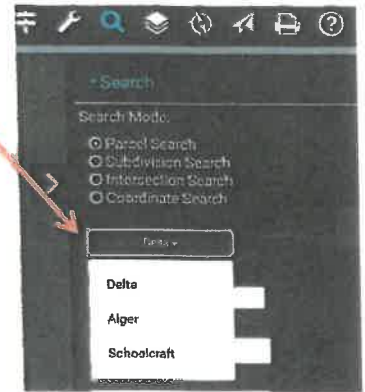

1. Click the accept button.

2. Select the magnifying glass to do a search.

3. Change County to "Schoolcraft" by clicking on the black box that says "Delta".

4. Type in the Parcel ID and hit the "Search" button.

5. Select this icon to pull up Parcel image.

6. Use mouse to scroll in and out to desired view. 😊

Copies can be printed for \$1.50 per page.
