14. Communications
15. Audit Claims and Vouchers
16. Adjournment

And, to take up and consider any other matter which may lawfully come before the Board at this time.

Daniel P. Hoholik _____

Daniel P. Hoholik, Chairperson
Schoolcraft County Board of Commissioners

Craig Reiter _____

Craig Reiter, Chairperson Audit-Finance
Schoolcraft County Board of Commissioners

Zoom viewing has been ended until further notice. Available only by request and/or invitation by contacting clerk@schoolcraftcountv.us in advance of scheduled meeting. Request must be made 24 hours prior to scheduled meeting.

**SCHOOLCRAFT COUNTY BOARD OF COMMISSIONERS
BOARD MEETING and AUDIT/FINANCE MEETING**

The Schoolcraft County Board of Commissioner's Board Meeting / Audit Finance Meeting met on Thursday, August 27, 2026, in the District Courtroom of the Schoolcraft County Building, City of Manistique, Michigan. Chairman Daniel P. Hoholik called the meeting to order at 5:30 p.m. The roll was called with the following members present and/or absent:

Present: Commissioner Craig Reiter
 Commissioner Bruce Birr
 Commissioner Troy Bassett
 Commissioner Sara MacGregor
 Commissioner Daniel P. Hoholik
 Schoolcraft County Clerk Beth A. Edwards

Absent: None

Chairman Daniel P. Hoholik led the Schoolcraft County Board of Commissioners and the members of the audience in the Pledge of Allegiance to the Flag of the United States of America.

It was moved by Commissioner Craig Reiter and was seconded by Commissioner Sara MacGregor to approve the amended minutes of August 13, 2026, Board/Audit Meeting of the Schoolcraft County Board of Commissioners. The motion carried by unanimous aye vote of the Board members present. [Copies of minutes are available at the Office of the Schoolcraft County Clerk.]

Chairman Daniel P. Hoholik asked if there were any additions, deletions, or corrections to the printed agenda. Commissioner Daniel P. Hoholik asked to add Building/Grounds & Airport Hire. **It was moved** by Commissioner Craig Reiter and was seconded by Commissioner Bruce Birr to approve the amended agenda. The motion carried by a unanimous aye vote of the Board members present.

Public Hearings: **It was moved** by Commissioner Troy Bassett and was seconded by Commissioner Bruce Birr to open the Public Hearing on Proposed Zoning Ordinance Change – Section 4.06 and 6.05. The motion was carried by unanimous aye vote of the Board members present. No Public Comment. **It was moved** by Commissioner Craig Reiter and was seconded by Commissioner Troy Bassett to close the Public Hearing. The motion was carried by unanimous aye vote of the Board members present.

Public Comment: None.

Unfinished Business: None

“New Business”: Commissioner Daniel P. Hoholik advised that the next Indian Lake Assessment District meeting will be September 9, 2026 at 3:30 in the District Courtroom.

It was moved by Commissioner Craig Reiter and was seconded by Commissioner Troy Bassett to table the Proposed Ordinance Changes until a new Zoning Administrator is hired. The motion was carried by unanimous aye vote of the Board members present.

Commissioner Craig Reiter advised that the Audit/Finance Committee received a grant award for FY27 Legal Self-Help Center Kiosk Implementation Grant in the amount of \$6995 and will bring forward for board action when the contract is received.

It was moved by Commissioner Bruce Birr and was seconded by Commissioner Troy Bassett to approve the Contract with Manistique Public Safety Department D/B/A Manistique EMS in the amount of \$150 per transport of deceased individuals and authorize Daniel P. Hoholik, Board Chairman, to sign the contract. The motion was carried by unanimous aye vote of the Board members present.

It was moved by Commissioner Troy Bassett and was seconded by Commissioner Daniel P. Hoholik to approve the payment of permit fees minus administration fees to Corey Barr for Temporary Zoning Administrator duties on a contracted basis. The motion was carried by unanimous aye vote of the Board members present.

It was moved by Commissioner Bruce Birr and was seconded by Sara MacGregor to hire William Chartier as a maintenance worker, Robb Bosonic will provide a starting date to payroll. The motion was carried by unanimous aye vote of the Board members present.

Under Committee and Department Reports, the following matters were heard:

Commissioner Daniel P. Hoholik: attended Audit/Finance Committee and Courthouse/Administration Security Meeting meetings.

Commissioner Craig Reiter : attended Program Planning, Northcare, Audit/Finance Committee, HBH, and Community Action meetings.

Commissioner Sara MacGregor: attended Manistique City Council, and Courthouse Security meetings.

Commissioner Bruce Birr: attended Personnel Committee, Soil Conservation District, Commission on Aging, CUPPAD – Materials Management, and Public Transit Authority meetings.

Commissioner Troy Bassett: attended Personnel Committee, and Courthouse/Administration Security meetings.

Rob Bosanic advised that the Sky Diving event was delayed because of weather but went well.

Announcements and Notices: None.

Public Comment: None.

Commissioner's Comment: Troy Bassett addressed hiring and retention.

Craig Reiter addressed PILT payment reduction due to the Lake Assessment District payments.

Communications: None.

At 5:58 p.m., meeting was turned over to Craig Reiter, Audit-Finance Chairman.

It was moved by Commissioner Troy Bassett and was seconded by Commissioner Craig Reiter to approve the claims and vouchers numbered **6565 through 6644**, inclusive. The motion carried by unanimous aye vote of the Board members present.

It was moved by Commissioner Daniel P. Hoholik and was seconded by Commissioner Troy Bassett to approve the budget adjustments numbered **26-107 through 26-1486**, inclusive. The motion carried by unanimous aye vote of the Board members present.

At 5:59 p.m., the meeting was turned back over to Chairman Daniel P. Hoholik. Chairman Daniel P. Hoholik asked if there was any further business to come before the Board.

It was moved by Commissioner Troy Bassett and was seconded by Commissioner Bruce Birr to adjourn. The motion carried by a unanimous aye vote of the Board members present.

Chairman Daniel P. Hoholik adjourned the Board and Audit Finance Meeting at 6:00 p.m.

Beth A. Edwards, County Clerk

Approved: _____

DRAFT

Library Board Application Form

1 year term

The Schoolcraft County Board of Commissioners is now accepting applications through September 1, 2026 for county residents who will serve on the Schoolcraft County Library Board. The County Library Board will be established to improve public library services throughout Schoolcraft County.

Name Lynn Deming Phone 906-860-8832

Address 7386w Riverview Dr Manistique, MI 49854

Email Address onelighthouseone@yahoo.com

Township of Residence Hiawatha Township

Why are you interested in public libraries? Have always used libraries as I'm a huge reader. Also worked at a small district library for approx. 10 years.

Area(s) of expertise/contribution you feel you can make I'm very vocal about how many services a library can offer. They are a wonderful source of information.

Other Volunteer Commitments? None

At the request of the County Commission, applications will be reviewed by the Manistique School & Public Library Advisory Committee. Please return application by September 1, 2026 to the Manistique School & Public Library, 100 North Cedar Street, Manistique, MI 49854.

Library Board Application Form

2 year term

The Schoolcraft County Board of Commissioners is now accepting applications through September 1, 2026 for county residents who will serve on the Schoolcraft County Library Board. The County Library Board will be established to improve public library services throughout Schoolcraft County.

Name Melissa Wood Phone 906-286-1574

Address 1728N West Kendall Rd Manistique, MI 49854

Email Address melissa.beaudre@gmail.com

Township of Residence Manistique

Why are you interested in public libraries? Reading is important and a great, free way to get books in everyone's hands.

Area(s) of expertise/contribution you feel you can make I'm an ELA teacher that can promote the library/reading in my classroom + school.

Other Volunteer Commitments? Manistique Youth Wrestling, St. Francis PTO

At the request of the County Commission, applications will be reviewed by the Manistique School & Public Library Advisory Committee. Please return application by September 1, 2026 to the Manistique School & Public Library, 100 North Cedar Street, Manistique, MI 49854.

Library Board Application Form

3 year term

The Schoolcraft County Board of Commissioners is now accepting applications through September 1, 2026 for county residents who will serve on the Schoolcraft County Library Board. The County Library Board will be established to improve public library services throughout Schoolcraft County.

Name George Ecclesine Phone 906-450-0401

Address 201 Cattaraugus St. Manistique, MI

Email Address geccles@chartermi.net

Township of Residence City of Manistique

Why are you interested in public libraries? I enjoy reading and make frequent use of our library. Our community is lucky to have the quality of Library that we have.

Area(s) of expertise/contribution you feel you can make civic involvement, prior county commissioner, involvement with other board memberships.

Other Volunteer Commitments? Board Member Hiawatha Behavioral Health, NorthCare Board Member

At the request of the County Commission, applications will be reviewed by the Manistique School & Public Library Advisory Committee. Please return application by September 1, 2026 to the Manistique School & Public Library, 100 North Cedar Street, Manistique, MI 49854.

Library Board Application Form

4 year term

The Schoolcraft County Board of Commissioners is now accepting applications through September 1, 2026 for county residents who will serve on the Schoolcraft County Library Board. The County Library Board will be established to improve public library services throughout Schoolcraft County.

Name Susan Wood Phone 906-286-1644

Address 240 Schoolcraft Ave, Manistique, MI 49854

Email Address sue.wood.358@gmail.com

Township of Residence City of Manistique

Why are you interested in public libraries? I believe in access

to literature & information & I love reading.

Area(s) of expertise/contribution you feel you can make I'm well versed in childhood development &

education. I also write.

Other Volunteer Commitments? Organize service projects & fundraisers for the local elementary school.

At the request of the County Commission, applications will be reviewed by the Manistique School & Public Library Advisory Committee. Please return application by September 1, 2026 to the Manistique School & Public Library, 100 North Cedar Street, Manistique, MI 49854.

5 year term

Library Board Application Form

The Schoolcraft County Board of Commissioners is now accepting applications through September 1, 2026 for county residents who will serve on the Schoolcraft County Library Board. The County Library Board will be established to improve public library services throughout Schoolcraft County.

Name Lisa Boudreau Phone 906-286-1035

Why are you interested in public libraries? _____

I worked in a library for several years and feel that they are so important

for many reasons and the resources available are outstanding.

Area(s) of expertise/contribution you feel you can make _____

I am a huge supporter and always let people know how valuable

libraries are.

Other Volunteer Commitments? _____

At the request of the County Commission, applications will be reviewed by the Manistique School & Public Library Advisory Committee. Please return application by September 1, 2026 to the Manistique School & Public Library, 100 North Cedar Street, Manistique, MI 49854.

**SCHOOLCRAFT COUNTY BOARD OF COMMISSIONERS
BUILDING & GROUNDS/AIRPORT COMMITTEE MEETING**

The Schoolcraft County Board of Commissioners Building and Grounds/Airport Committee met on Tuesday, September 1, 2026, in the 1st Floor Conference Room of the Schoolcraft County Building, City of Manistique, Michigan, commencing at 8:15 a.m. The meeting was called to order and roll was taken:

Present: Commissioner Daniel P. Hoholik
 Commissioner Troy Bassett
 Michelle Schuetter, Deputy Clerk

Commissioner Daniel P. Hoholik led the committee in the Pledge of Allegiance.

Additions to Agenda: Schoolcraft Motorized Trail Association Proposal/Airport Trail, Duck Inn Property, Equipment Grant, DHHS remodel, The Pines sign, Bishop Baraga Sign, County Car

Public Comment: None

New Business: Airport/ORV Snowmobile Trail project was discussed. Rob Bosanic has been in contact with M-DOT. M-DOT is not in favor of installing fences around runways and would prefer fencing around the airport property. If any portion of the trail were to be on airport property, MDOT would need precise GPS coordinates of the trail, know of any portions that pass through or near the airport property, an airspace study, FAA approval of land release, and an environmental impact study. Dave Grabski, Co-Chair of the Steering Committee and representative of the Schoolcraft County Motorized Trail Association, presented the tentative proposal for the trail project. Mr. Grabski is hopeful the project will begin mid-summer 2027. Rob B. questioned whether Board support was needed to research/move forward with the project. Commissioner Hoholik said Board approval is not needed at this time.

Discussion:

- **Review of all Current Approved Projects**

Airport Fuel – 9/1 Total fuel sales for the month of August were \$7,475.36 / 1229.90 Units Sold.

Carpenter Dam Motor – 9/2/25 Both motors are installed. Conduit still needs to be run for power to the motors. 10/7/25 2nd motor was removed as it was binding up - Issue is being looked into. Conduit should be run next week. 1/6/26 Conduit is not run and no update. 2/3/26 nothing new on the conduit other than it is not in place. The Dam bubblers were off – couldn't be determined if the breaker had tripped or if someone had turned them off. The ice was chipped away, and they are back on and working well. 3/3/26 Nothing New – Spring 4/7/26 & 5/5/26 & 6/2/26 & 7/7/26– Nothing New – Rob will make contact 8/4/26 Rob had been in contact with Nate and was informed a larger generator job came up in Escanaba and had to take it. County is set to be next on the list and will keep Rob updated. 9/1/26 Rob B. stated project has started, and Nate continues to work on it.

Airport Professional Engineering Services – Runway Rehab. Grant/lighting/signage/Beacon – 2/4 second estimate needs to be submitted by February 15 – the cost is \$4,800 which the County will have to pay and then get reimbursed. 4/1 total project anticipated cost would be over 3,000,000 and there would be a 5% match – still in the professional services stage. 5/6/2025 MDOT inspected the runways and now working on engineering. 6/3/25 Blueprints should be finished by the end of the month ready for bidding process and actual paving will take place next year. 7/1/25 8/5/25 nothing new to report. 9/2/25 in Design Stage. 10/7/25 Looking at combining the Runway Rehab, Runway lighting

& signage, and Beacon for a local cost of \$64,375. RECOMMENDATION to sign contract for Prein & Newhoff to move forward 12/2/25 Surveying is starting on 12/2/25 and Core Samples on 12/9/25 1/6/26 Surveying and core samples are complete and the engineering for the beacon and lighting are in the process. 2/3/26 pursuant to the video conference last week the plans were reviewed and there will be an approximate one-month closure for the project- there was discussion about whether it would be completely closed or if the short runway would be open. Thoughts were that possibly there would be a period of both would be closed and then a period where the short runway only would be open. 3/3/26 two bids were received for the Runway Construct 10-28 Lighting & Signage – Bay Electric \$373,850 and J Ranck Electric, Inc \$380,110. RECOMMENDATION to the full Board to accept the Bid from Bay Electric, Inc. in the amount of \$373,850 and authorize Paul Walker, board chairman, to sign the certifications. 4/7/26: Bid approved by County Board. Needs to go to MAC meeting for approval 5/5/26 No Update. RECOMMENDATION to accept the Runway Bid in the amount of \$2,704,931.75 from Payne & Dolan pending confirmation that there is not more than 1 bid required to the Grant funding. 7/7/26 Nothing on when this will be started. 8/4/26 Commissioner Hoholik signed the lighting/signage contract last week. No date is set for when project will be completed but hoping for Spring. AWOS project has been completed. Commissioner Bassett brought forth discussion about getting a courtesy car out at the Airport. 9/1/26: No new updates. Rob B. has meeting towards end of September and should know more then.

Merwin Creek – Revenue of \$1,673.75 for September. 12/2/25 Closed for the year. 2/3/26 the Campground paperwork has been completed and submitted for the upcoming season. No Update. 4/7/26: License for campground approved for year; will do water treatment once campground is opened. 5/5/26 Well Hand pump has been installed, and river water has gone down. 6/2/26 Water testing has been done and everything is going well. 7/7/26 No issues. 8/4/26 Campsites are being rented. Rob stated they've been keeping up on testing water samples. He would also like to look into getting new fire rings for next year as some are missing. 9/1/26: Monthly water sample came back good.

DHHS – DHHS wants to renew lease for 10 years. Also, they want to remodel at their expense, either we pay and get reimbursed monthly or they pay up front. Steve will talk to UP Engineering regarding an estimated cost. 2/3/26 – Nothing reported. 3/3/26 Did a walk through with the State, updates were discussed. Waiting on UP Engineering to do a walk through to get a price for services. There was discussion regarding lighting and Robb will make sure that is in the plan for updating. 4/7/26 & 5/5/26 & 6/2/26 No update 8/4/26 Rob spoke to Tony Sump with the State. Tony wants to get the remodeling project moving. First step is to get the future lease prepared and then go from there. Discussion was held. 9/1/26: Rob B. received plans from Tony at DHHS and sent them to UP Engineers. UP Engineers could draft up a proposal for architect and engineering services, including bidding services as well. The proposal would state the cost for preparing the plans and providing the services, which is typically 10%. This would be to see if DHHS would fund the services before moving forward.

Portable Morgue discussion. This needs 24-hour serviceability. Talked about exhaust fans being installed in the garage or a separate small building in the fenced area at the Sheriff's Department. Steve will look into a quote for a 10X12 or 12X12 Building. 2/3/26 no discussion. 3/3/26 It was discussed that when UP Engineering is here, ask about an air exchange for the current location. 4/7/26 discussion was had on where to possibly put small building. 5/5/26 space was discussed. Rob B. looked the building are not out in Rapid River and he had talked to Jared Bode and he would be willing to give a price on size specific building. Sheriff Willour needs to check to see if a building can be put inside the fence where the tower is. 6/2/26 Rob to get some quotes for a brick building in the fence at the Sheriff's Department. 7/7/26 Rob will look at local HVAC to see about ventilation in the Sheriff Garage. Rob will try to get an estimate by the next meeting. Or a meeting could be set in 2 weeks if needed. 8/4/26: Rob has been in contact with George Hoholik regarding ventilation and what needs to be done. It was also suggested to possibly look into a portable building again. 9/1/26: Rob B. spoke with Corey Barr regarding zoning. Corey B. didn't think there would be any zoning issues with putting a shed on the property but was going to discuss it further with Peter Hood. Rob B. also looked at the buildings on M-94 and determined the standard ones aren't tall enough. Rob tried contacting Jared Bodi again and is waiting to hear back.

Phone system needs to be updated. Dan Edwards is currently working on updating the internet and then we can update the phone systems. Leave on the agenda. 7/7/26 Heather L. will contact Dan for an update. 8/4/26 No updates 9/1/26: No Update

Directory Update: 8/4/26: Rob will look into redoing the main entrance directory once summer is over. 9/1/26: No update

Courthouse/Administration General Space Designation 9/1/26: Discussion was had. Beth Edwards stated that the Security Committee asked for a layout identifying court space vs administration space and which areas fall under the authority of the courts. Clerk's Office is a grey area as it contains court

records but also serves as an administrative function. The committee will also need to address concealed carrying within the building. Want to protect people's rights while also protecting the County from potential litigation.

Equipment Grant – 9/1/26: Rob B. signed purchase agreement with Northland for tractor. Northland representative Parker stated they typically require 20% down payment when ordering this type of equipment. County has currently received half of the grant funding for tractor. Parker was hoping to get a check cut withing a month and a half. Once the check is cashed and we receive receipt of payment, we can apply for 2nd half of the funding. Beth E. recommends cutting a check for the full \$70,000 so it can be cashed before the end of this FY. The County can then request the other half of the funding next FY. Rob B. is hoping tractor will be here around January 1st.

Bishop Baraga Sign – 9/1/26: Rob B. stated the Bishop Baraga sign was taken down and will be replaced with a new one. Lisa Bush from the Historical Society is helping with this.

The Pines Park Sign – Rob B. indicated that the Frenette family would like to use their restricted cash funds to purchase and put up a new sign, similar to the one located at the Senior Citizen Center. Frenette's suggested getting a quote from Meier's Sign in Escanaba. Recommendation to move forward with this project from both Commissioner Hoholik and Commissioner Bassett.

County Car – Rob B. questioned whether the County car was being used or not. If not his department would like to use it. Commissioner Bassett stated he would prefer the vehicle be utilized rather than sitting unused.

Duck Inn Property – Discussion was held regarding potential sale of the Duck Inn property, which consists of 40-acres. Heather LaLonde is looking into this and what needs to be done to proceed

Public Comment: Renee Dubois addressed courtesy car for airport.

Commissioner Hoholik requested next Building & Grounds meeting be moved to Tuesday, October 13, 2026.

Next Meeting: October 13, 2026, at 8:15 a.m.

Adjournment: Committee meeting adjourned at 9:10 a.m.

Schoolcraft County Commissioner's Meeting

August 13, 2026

Kewadin Casino ORV/Snowmobile Trail Project Talking Points

- We are not asking for any money
- Funding sources are Casino 2% money and other Grants
- A joint project between the Schoolcraft County Motorized Trails Association and the Manistique Kewadin Casino
- We are asking for a County Representative to join our project Steering Committee.
- We are asking for permission to cross 3,600 feet of the Airport non-air operations property for Snowmobile and ORV usage. Airport Operations will be protected by installing a chain link fence preventing riders from accessing Airport Operations.
- We have received letters of support from the City of Manistique and Manistique Township.

Kewadin Casino Manistique and Schoolcraft County Motorized Trails Association City Trail Extension Proposal

The Kewadin Casino (Casino) and Schoolcraft County Motorized Trails Association (SCMTA) have partnered in proposing the City Trail be extended 5 miles from Tannery Road to the Kewadin Casino property.

Project Benefits

The development of this trail connection would provide significant benefits not only to Kewadin Casino, but also to neighboring communities and counties throughout the region. As tourism trends continue to evolve and recreational vehicle and ORV usage increases, improved trail access presents an opportunity to attract additional visitors and encourage longer stays within the area.

This summer, Kewadin Casino will begin renovations to its RV park, including the installation of full-service hookup sites. Establishing direct trail access to the property would complement these improvements by making the casino and RV park more accessible to outdoor recreation enthusiasts traveling throughout the region.

In addition to enhancing visitor access, the trail would support local commerce by increasing traffic to nearby businesses, including restaurants, lodging establishments, fuel stations, retail stores, and other service providers. The resulting economic activity would generate additional revenue for neighboring businesses while strengthening regional tourism efforts and promoting long-term economic growth throughout the area.

Project Administration

- A Steering Committee with two Co-Chairs, Wanda Barbeau representing the Kewadin Casino and David Grabski representing Schoolcraft County Motorized Trails Association. These two individuals have overall responsibility for the project completion and compliance with all ordinances and permits.
- Responsible for managing selected bid award contractors work product and schedule.

Create a Steering Committee

- The role of this group is to represent their groups interests and coordinate with internal staff subject experts that can aid in engineering and contract terms and conditions to create (multiple) Statements of Work (SOW's),
- Recommend terms and conditions to bid Statements of Work (SOW) prior to sending out to contractors for competitive bid responses.
- Review Contractor bid responses and recommend bid awards based on price and contractor reputation.

Steering Committee Membership

- Kewadin Casino Manistique – Wanda Barbeau, Steering Committee Co-Chair
- Schoolcraft County Motorized Trails Assoc – David Grabski, Steering Committee Co-Chair
- Schoolcraft County Motorized Trails Assoc – Larry Billings, President
- Kewadin Casino's – Allen Kerridge, CEO
- Manistique City Council Representative – Micheal Perilloux
- Manistique Township Council Representative – George Price
- Manistique Public Safety – Tim Russell / Alternate - Corey Barr
- Schoolcraft County Sheriff – Jim Snider
- Schoolcraft County Commission Representative – Troy Bassette
- Schoolcraft County Road Commission Representative –
- Schoolcraft Tourism & Commerce Representative – Victoria Geroge
- Michigan DNR – Ron Yesney
- Michigan DNR – Daryl Browning, Parks and Recreation

Project Overview

The following is a very high outline of tasks that will be addressed. The proposed extension of the City Trail (DNR designation as Trail 906) major improvements would include:

- Obtain a Private Railway Crossing Permit from the Canadian Northern Railway. The permit would specify the crossing would be compliant with a public road crossing with warning lights and crossing gates. The location of the crossing will be located on the Northeast corner of Highway US2 and Tannery Road, below and offset from the MDOT bridge crossing on US2. This location was selected as that is where a non-sanction trail is used by riders today. Seven-foot-high cyclone fencing will be specified to prevent riders from crossing the rails outside the gated crossing.
- Obtain a permit from Schoolcraft County Airport and the FAA to create a thirty-foot wide fenced corridor along the northern and eastern borders of their property. The Airport side of the trail crossing will be specified to have a seven-foot-high cyclone fence to prevent users of the trail from wandering onto the airport proper and interfering with air operations.
- Trail 906, which is primarily all sand along the power lines will be improved to have a hard gravel base like the Haywire over a 5-year period with funding from DNR Grants.
- Currently ORV riders out of Manistique use Tannery Road and joins the Trail 906 beyond the County Road buildings. This traffic will be re-routed to use the current snowmobile route.

We look forward working with all stakeholders to make this a successful project.
